

The Community University of the Valleys
Partnership International Conference

CHANGING LANDSCAPES

11th and 12th April 2005
University of Wales, Swansea, UK

Incorporating The Raymond Williams Memorial Lecture

The Changing Landscapes Conference is presented by The Community University of the Valleys Partnership (CUVP), one of the UK's leading community higher learning initiatives.

The Conference aims to reflect on the changing roles of universities and communities in widening access, social inclusion and community regeneration. With emphasis on an international approach, the event will feature contributions from practitioners, researchers and learners from the UK, Europe and beyond.

Keynote Speakers:

Alan Tuckett, *Director NIACE UK*
Derith Powell, *Community Development Cymru (CDC)*
Jane Thompson, *Contesting Social Exclusion*
Professor Richard Taylor, *University of Cambridge*
Professor John Storan, *Continuum*
Professor Phil Gummert, *Higher Education Funding Council for Wales*
